

Love the way you lie Part 2

Em C G D
On the first page of our story the future seemed so bright
Em C G D
then this thing turned out so evil I don't know why I'm still surprised
Em C G D
even angels have their wicked schemes and you take that to new extremes
Em C G D
but you'll always be my hero even though you've lost your mind

Em C G D
Just gonna stand there and watch me burn but that's all right because I like the way it hurts
Em C G D
just gonna stand there and hear me cry but that's all right because I love the way you lie
Em C G D
I love the way you lie Ohhh, I love the way you lie

Em C G D
Now there's gravel in our voices glass is shattered from the fight
Em C G D
in this tug of war, you'll always win even when I'm right
Em C G D
'cause you feed me fables from your hand with violent words and empty threats
Em C G D
and it's sick that all these battles are what keeps me satisfied

Em C G D
Just gonna stand there and watch me burn but that's all right because I like the way it hurts
Em C G D
just gonna stand there and hear me cry but that's all right because I love the way you lie
Em C G D
I love the way you lie Ohhh, I love the way you lie
