

Have you ever really ever loved a woman

Intro: | Amaj7sus4 | Adim/C| D |

To really love a woman to understand her you gotta know it deep inside

Hear every thought see every dream and give her wings - when she wants to fly

Then when you find yourself lyin' helpless in her arms

You know you really love a woman

When you love a woman you tell her that she's really wanted

When you love a woman you tell her that she's the one

she needs somebody to tell her that it's gonna last forever

So tell me have you ever really really really ever loved a woman?

To really love a woman Let her hold you 'til ya know how she needs to be touched

You've gotta breathe her really taste her Til you can feel her in your blood

And when you can see your unborn children in her eyes You know you really love a woman

When you love a woman you tell her that she's really wanted

When you love a woman you tell her that she's the one

she needs somebody to tell her that it's gonna last forever

So tell me have you ever really really really ever loved a woman?

You got to give her some faith - hold her tight A little tenderness - gotta treat her right

She will be there for you, takin' good care of you Ya really gotta love your woman...

Then when you find yourself lyin' helpless in her arms You know you really love a woman

When you love a woman you tell her that she's really wanted

When you love a woman you tell her that she's the one

she needs somebody to tell her that it's gonna last forever

So tell me have you ever really - really really ever loved a woman?

Just tell me have you ever really, really, really, ever loved a woman?
