

I Want to break free

Intro: | D |

I want to break free I want to break free I want to break free from your lies you're so
self satisfied I don't need you I've got to break free God knows, God knows I want to break free

I've fallen in love I've fallen in love for the first time

And this time I know it's for real I've fallen in love, yeah God knows, God knows I've fallen in love

It's strange but it's true I can't get over the way you love me like you do

But I have to be sure when I walk out that door

Oh how I want to be free, baby Oh how I want to be free Oh how I want to break free

But life still goes on I can't get used to living without, living without Living without you

by my side I don't want to live alone, hey God knows, got to make it on my own

So baby can't you see I've got to break free
