

I'm Yours

INTRO: G / D / Em / C

G D
Well you done done me and you bet I felt it I tried to be chill but you're so hot that I melted

Em D
I fell right through the cracks, and now I'm tryin' to get back...

G D
Before the cool done run out I'll be giving it my bestest and nothing's going to stop me but divine intervention

Em C
I reckon it's again my turn to win some or learn some

G D Em C G / D / Em / C
But I won't hesitate no more, no more it cannot wait, I'm yours

G D Em
Well open up your mind and see like me open up your plans and damn you're free

C
Look into your heart and you'll find love love love

G D Em
Listen to the music of the moment maybe sing with me we're just one big family

C Db5b
And it's our God-forsaken right to be love love loved love loved

G D Em C

G D Em G
D-d-do do you, but do you, d-d-do but do you want to come on

C Db5b
Scooch on over closer dear and I will nibble your ear

G D
I've been spending way too long checking my tongue in the mirror and bending over backwards just to try to see it clearer

Em C
But my breath fogged up the glass and so I drew a new face and I laughed

G D
I guess what I be saying is there ain't no better reason to rid yourself of vanities and just go with the seasons

Em C
It's what we aim to do, our name is our virtue

G D Em C
But I won't hesitate no more, no more it cannot wait, I'm yours

G D Em
Open up your mind and see like me open up your plans and damn you're free

C
Look into your heart and you'll find that the sky is yours

G D Em
So please don't please don't, there's no need to complicate 'cause our time is short

C Db5b
This is, this is, this is our fate I'm yours
