C F G
Lay a whisper on my pillow leave the winter on the ground
C F Dm G
I wake up lonely, this air of silence in the bedroom and all around
Am C F G
Touch me now I close my eyes and dream away
C F
It must have been love but it's over now
Dm Am G
It must have been good but I lost it somehow
C F
It must have been love but it's over now
Dm Am G
From the moment we touched 'till the time had run out
C F G
Make believing we're together that I'm sheltered by your heart
C F Dm G
But in and outside I turn to water like a teardrop in your palm
Am C F G
And it's a hard winter's day I dream away
C F
It must have been love but it's over now
Dm Am G
It was all that I wanted now I'm living without
C Gm
It must have been love but it's over now
C Bb
It's where the water flows It's where the wind blows
